Subject: EPA New England Annual congressional Staff Briefing -- Tentative Date, March 26

Hi All.

As in past years, our Regional Administrator would like to invite you to our offices in Boston, 5 Post Office Square. We have reserved Leighton Hall for the briefing. The date reserved is Thursday, March 26, 2015. Recognizing getting into and out of Boston can be challenging, we plan to begin at 10:00 A.M. and end at 3:00 P.M. This should allow you to avoid some of the rush hour traffic.

Please save this date and let me know as soon as possible if this date works for you.

If they have suggestions for agenda topics or format, please pass them along to me. It would be helpful to have your ideas by February 23.

A draft agenda in the coming weeks.

Likewise, if there are state or district specific issues that you would like to discuss with EPA staff, I will be glad to work with you and reserve a small meeting room and coordinate with appropriate staff.

Thanks. I look forward to hearing from you.
